

Mexico City, October 1, 2022.

## **CALL TO CARLOS H. VILCHIS VILLASEÑOR AWARD FOR THE DEVELOPMENT AND APPLICATION OF STATISTICAL QUALITY CONTROL**

***Ing. Carlos H. Vilchis Villaseñor***

***Founding member of the Mexican Institute for Quality Control***

The Carlos H. Vilchis Villaseñor Award from the Instituto Mexicano de Control de Calidad, A.C. is awarded annually by the Agapito González Foundation for the Promotion of Quality to the professional who has distinguished himself the most in the promotion of the Statistical Quality Control techniques and their application to the industry.

The award is given to only one professional per year who must not have received the same award before.

The call for the 2022 edition of this award is open during the months of October and November 2022 to present candidates. The announcement of the winner will be made at the beginning of December 2022 and will be delivered at the closing ceremony of activities of the year of IMECCA on December 16, 2022.

### **Requirements to be considered as a candidate for the Award.**

1. Be nominated by an IMECCA member and supported by 4 other members.
2. Have a track record that meets the selection criteria.
3. Having carried an important dissemination of his work in Mexico.
4. Have a professional activity in the quality field of at least 10 years

### **Considerations for selecting the winner.**

1. Degree of personal involvement in the dissemination of quality as a teacher, instructor, author, speaker at the National Quality Control Congresses and / or columnist in magazines and newspapers.
2. Nominee's personal values.
3. Contribution to the advancement of quality science and technique in Mexico and in foreign countries.
4. Time that the nominee has been contributing to the dissemination of quality.

5. Contributions to the dissemination and advancement of quality science and technology in Latin America and the Asia Pacific region.
