CALL FOR AGAPITO GONZALEZ AWARD FOR THE PROMOTION OF QUALITY

Ing. Agapito González
Fundador de IMECCA

The Agapito Gonzalez Quality Award of the Mexican Institute of Quality Control, A.C. is awarded annually by the Agapito Gonzalez Foundation for the Promotion of Quality to the professional who has distinguished himself or herself the most in the promotion of quality techniques and their application to the country's industry.

The award is given to only one professional per year who must not have received the same award before.

The call for this award is open during the year to present candidates, closing at the end of July. The announcement of the winner will be made at the beginning of September and will be presented at the opening ceremony of the National Quality Control Congress each year.

Requirements to be considered as a candidate for the Award.

1. Be nominated by one IMECCA member and supported by 4 other members.
2. Have a track record that meets the selection criteria.
3. To have carried out its dissemination work mainly in Mexico, Latin America or the Asia Pacific region.
4. Have a professional activity in the field of quality for at least 10 years.

Considerations for selecting the winner.

1. Degree of personal involvement in the dissemination of quality as a director, professional, teacher, instructor, author, speaker at National Quality Control Congresses and/or columnist in magazines and newspapers.
2. Personal values of the nominee.
3. Contribution to the advancement of quality science and technology in Mexico.
4. How long the nominee has been contributing to the spread of quality.
5. Contributions to the dissemination and advancement of quality science and technology in Latin America and the Asia-Pacific Region.

Previous winners.
