**CALL TO THE VILMA LUZ GARCIA GONZALEZ QUALITY AWARD 2022**

The VILMA LUZ GARCIA GONZALEZ QUALITY AWARD from the Mexican Institute for Quality Control, Inc is given annually by the Agapito Gonzalez Foundation for the Promotion of Quality to the professional woman who has most distinguished herself in the Development and/or promotion of quality and food safety techniques and their application to the industry in Mexico, Guatemala, and Cuba. From 2022 is open to all countries in Latino America and in the Asia Pacific region.

The award is given to only one professional woman per year who must not have received the same award previously. The call for candidates for this award is open during the start of the year until July 31, every year. The announcement of the winner will be made during the month of September and will be presented virtually with the framework of the National Congress of Quality Control that every year is held starting on the 1st Wednesday of October.

Requirements to be considered as a candidate for the Award.

- Be nominated by an IMECCA member and supported by 4 other members.
  - Have a track record that meets the selection criteria.
  - To have carried out its dissemination work mainly in Mexico and /or in a country in Latin America or the Asia Pacific region.
  - To have a professional activity in quality, plant management and/or general direction for at least 10 years
- Considerations in selecting the winner.
- Degree of personal involvement in the dissemination of quality as a teacher, instructor, author, speaker at National Quality Control Congresses and/or columnist in magazines and newspapers.
  - Personal values of the nominee.
  - Contribution to the development of quality science and technology in Mexico, Guatemala and/or Cuba.
  - Time that the nominee has been contributing to the dissemination of quality.
  - Contributions to the dissemination and advancement of quality science and technology in Latin America and the Asia Pacific Region
