

## Dear friends,

There are only two months left before the start of <u>Prodexpo 2025</u>, the most recognised annual show of the Russian food market.

We would like to invite you to attend the International Exhibition for Food, Beverages and Food Raw Materials – <u>Prodexpo 2025</u> – on **3–7 February** 2025 at EXPOCENTRE Fairgrounds, Moscow, Russia.

EXPOCENTRE Fairgrounds will turn into **a giant food showcase** for five days. Here our exhibitors will demonstrate their best foodstuffs and new food and beverages from Russian and foreign producers and suppliers from dozens of countries from around the globe.

At Prodexpo, you will find both basic product categories, which make up a staple part of the everyday diet, and exquisite delicacies, gastronomic specialities, as well as organic and sports nutrition, products for a healthy lifestyle, halal, kosher, and exotic products.

## Product sectors by pavilions >>

We expect premieres in all sectors of the show from food and beverage manufacturers from different regions of Russia from Kaliningrad to Kamchatka. About 40 of these regions will have group stands and pavilions.

Get your visitor ID

**Eight exhibition pavilions** of EXPOCENTRE Fairgrounds will host the stands of 2,000 companies. Many of them time the launch of new products and trademarks to the start of Prodexpo.

Preliminary list of exhibitors >>

Tens of thousands of industry professionals come to Prodexpo every year.

Who are our visitors?

## Why visit Prodexpo?

It is a great chance over five days to

- see a wide range of food and beverages made in Russia and other countries
- find new food and beverage suppliers among 2,000+ Russian and foreign companies interested in new trade partners
- expand and strengthen business ties with Russian partners
- conduct direct negotiations with representatives of retail chains in the Purchasing Centre for Retail Chains
- compare cooperation terms of potential suppliers and conclude contracts on beneficial terms
- develop your own idea of the trends on the Russian food market and occupy vacated niches
